

## School Volunteers Needed

If you are interested to see what happens at school, the faculty and administration of Pender Public Schools are looking for persons interested in VOLUNTEER work. You do not need a lot of time (1/2 hour to 45 minutes) and you do not have to have children in school.

Volunteers could be used in a variety of areas such as morning or afternoon bus supervision, cafeteria assistants, playground supervision, classroom aide, Saturday winter basketball league officials and coaches, grant researchers and writers or any ideas you may have to help. If you feel that you may have some time to volunteer and would enjoy working in a school environment, please call 385-3244 or return this form to the office.

We look forward to having community members join our team as partners in providing quality educational experiences for the children of our district.
